HYDRO-PULSE™

A SOLID investment WITH A PROVEN PRODUCT

The great, new Hydro-Pulse™ gas boiler can

REDUCE Energy Costs 30% or more.

This revolutionary new heating unit, made by Hydrotherm, Inc., uses no burner, no pilot light, needs no flue, no chimney. It operates on the pulse combustion principle, which uses natural gas much more efficiently than conventional boilers. This means heating bills can be reduced 30% or more. If you're in a depression over high home heating costs, call us to learn more about Hydro-Pulse.

Hydrotherm® has certified this contractor for Hydro-Pulse installation and service.

Harbor Days continued on Sunday with bright sunny skies, and crowds enjoyed the entertainment and crafts booths at Shipyard Park.

A Pancake Breakfast started the day off, and in the afternoon a band concert by the Mattapoisett Town Band, under the direction of John Pandolfi, was held; also, a break dancing exhibit, karate exhibit, antique car parade and exhibit, pie eating contest and balloon toss contest. In the harbor the Mattapoisett Yacht Club conducted sailing races.

Winners in the sailing events were: Herreshoff 12½: Dave Jenney, 1st; Ruth Morley, 2nd; and Anne Donald, 3rd.

Windsurfers: Peter Underwood, 1st; and Rick Whidden, 2nd.

4 Area Men at West Point

A very noteworthy and unusual fact is that 4 young men, graduates of Old Rochester Regional High School, were all attending the United States Military Academy at West Point at the same time, in different classes. Certainly families in Mattapoisett and Marion deserve a bow for producing such outstanding sons just as Old Rochester can be proud of a record that is perhaps unique in the nation.

The four young men are: William H. Cattley, son of Robert and Carol Cattley of Mattapoisett. A 1979 graduate of ORR

Selectmen's Meeting

JULY 17, 1984 - by VIRGINIA ARRAL

SPECIAL TOWN MEETING SET FOR AUGUST 13

At least eight articles will be on the warrant for the Special Town Meeting to be held at 7 p.m. August 13th at Old Rochester Regional High School Auditorium. Five of the articles were indefinitely postponed at the May Annual Town Meeting, but Selectmen feel they are worthy to be reconsidered.

Chairman of the Finance Committee Michael O'Brien told Selectmen Tuesday the committee will recommend six of the eight articles. O'Brien said, "Our position on the other two is to hold off until we have some hard and fast figures on what we can spend. We will make our recommendations at the meeting", he added.

Article 1 seeks $6,500 for cleaning, repairing and painting the exterior of the water standpipe off North Street. Article 2 seeks $8,000 for a new sand spreader for the highway department. Highway Surveyor Manuel R. Nunes said at the annual town meeting that the present one is 26 years old and needs replacement. Article 3, submitted by the Water/Sewer Commissioners, seeks $12,500. for a sewer engineering study to cover design costs and grant application fees for sewer main extensions.

Articles 4 and 5 are new requests and seek voter approval for $7,200 for IBM-XT software and a printer and $5,000 for software for use by the Town Accountant.

Articles 6 and 7 were indefinitely postponed from the annual meeting and recommendation by the Finance Committee is being

held off until the special meeting. They are resurfacing Holly Woods Road for $10,000 and wharf restoration for $20,000. Article 8 seeks $1,000 to build a handicapped ramp at the Town Hall.

The sum of $35,000 is available from the sale of the Grange Hall and the source of other funds will be announced later. If everything were to be approved an additional $35,700. would be required.

Selectmen are seeking permission to purchase 12 telephone units at a one-time cost of $4,470. After the initial purchase price, there will be only the $361.20 annual maintenance cost, thus resulting in a savings, Selectmen explained. Rental charges amount to $2,834 annually -- two years of rental will pay for the purchase, they noted.

COMPLAINT ON CONDITION OF CHURCH ST. EXT.

William Dexter of 37 Old Marion Road, in an obviously perturbed frame of mind, complained to Selectmen of the condition of the roadway on Church Street Extension, especially in the area of his driveway near Old Marion Road.

"That section of the road where the bus stops and starts is especially in poor condition,"Dexter explained. "What pavement was there has been broken by the bus.

"I've tried four times in the past month to get help through the Selectmen's office," Dexter said, "but with no results. In my opinion, you would concur about the condition if you checked it out and noticed especially the stones in the road making it hazardous to drive along that section of the road."

On a similar matter, Dexter asked that the STOP sign on the corner of Church Street Extension and Old Marion Road be straightened

from its 45 degree angle. "It's not a big thing, but it could be cured in five minutes. I pay a lot of taxes and feel I should have the courtesy of your office to do something about my complaints."

Dexter said that about seven or eight years ago funds were sought at town meeting to repair the approximately 2/10th of a mile road, but it was indefinitely postponed. "I'm tired of hearing the budget won't stand it -- things seem to get done just before an election," Dexter claimed.

Selectman Frank Suzan said the squeaky wheel gets things done. "You should have asked for it in other years. You've got to be persistent."

Dexter stressed several times his objection to the fact Highway Surveyor Manuel Nunes is an elected official and the Selectmen have no control over what jobs he will do. Selectman James F. Huntoon told Dexter that Nunes has always received the biggest mandate of voters in town - he must be doing something right. Huntoon agreed with Dexter that indeed Selectmen cannot prioritize Nunes' business; "no more than we can tell the Town Clerk, Assessors or Treasurer what to do."

Selectmen agreed they owe it to Dexter and to the neighborhood to look at the condition of the road. "We will look at it and talk to Nunes. We will treat you the same as anyone else -- I promise you that", said Suzan.

In other business, Selectmen:

WILL REQUEST the Big Red Quick Print Center of New Bedford to compensate the town in the amount of $300. because of the inferior quality of the printing of the town reports.

Because of the Selectmen's complaint, the company previously allowed a $109. reduction in the $2,392.50 contract price. This amount was not sufficient considering the inferior work, said Suzan.

Among the complaints was that some covers were put on upside down, pages were upside down and pages were cut uneven. Selectmen noted that the reports were delivered weeks later than scheduled.

Although he was listed on the agenda, Robert Dumas, representing the printing company, did not attend Tuesday's meeting to discuss the compensation sought by the board. Executive Secretary Carol Adams noted the printer was awarded the contract as the company came highly recommended.

Just a word or two about our trip to the Slater Mills Site in Pawtucket on Tuesday, August 14th. This is a trip that we have made once or twice before, and I believe enjoyed very much. The Mill Site has been restored to its appearance in the early 1800's to depict the development of factory production and life in a 19th century industrial village. Guided tours include visits to the Sylvanus Brown House (1758), where hand-spinning and weaving are demonstrated; and to the Slater Mill (1793), where the transition from handcraft to machinery production is interpreted. The 1810 Wilkinson Mill is powered by a rebuilt 8-ton water wheel, the only one of its kind in America. The site also includes a dam, a power canal and a riverside park; also a shop featuring handcrafted items for sale. Not too much walking is required.

The Fair will feature home-baked foods, white elephants, books, vegetables and coffee 'an'.

Members and friends are asked to scour their homes for attic "treasures" for the white elephant table, which will be arranged by Mrs. Jane Welch and her aides.

A telephone committee will be busy asking donations of food, "treasures", books and vegetables from area gardens.

Mrs. Welch has prepared eye-catching posters which will be displayed in area business places.

Miss Florence Huetteman is to be in charge of the book table.

The Fair is the club's only fund-raiser of the year.

Anyone wishing to reserve a display table may do so by contacting the president or vice president. Committee aides will be announced in the next edition.

Thank You

We wish to thank the police department for their assistance in our recent sorrow. Many thanks for all the cards and remembrances sent to us at this time of mourning for Mark. Your expressions of sympathy were deeply appreciated by the family of Mark H. McIntyre.

Col. Shepley Honored

Colonel James M. Shepley was awarded the Army Achievement Medal for meritorious service while commanding the 1114th Military Intelligence Group, RTU, Fort Rodman, MA. from September 23, 1974 to January 31, 1984, at a dinner in his honor at the Quequechan Club in Fall River. Presentation was made by Colonel Richard F. Cormier, the present commander of the unit.

Colonel Shepley owns and operates an insurance and financial planning business at 962 Kempton Street, New Bedford, and resides in Mattapoisett with his wife, Anne, and family. Colonel Shepley is active in many civic, religious, fraternal and professional organizations.

CASH CARD

It's so handy to have ... so easy to get ... so easy to use ... locally ... regionally ... NATIONALLY!

Even people with credit cards still need cash . . . and sometimes they need it when it's difficult or even impossible to cash a check . . . like weekends around town, late in the evening, visits to the Cape, shopping in Boston, or traveling almost anywhere else in the country. The NBIS X-PRESS24® CASH CARD's answer to all of the above, and *more* . . . with 9 cash locations (ATMs) in greater New Bedford, over 500 more throughout Massachusetts and New Hampshire plus over 4,000 scattered throughout the U.S.A. (including Hawaii and Alaska) in virtually every principal city, tourist attraction and business destination you can think of!

How do you get an NBIS X-PRESS24® Cash Card? If you already have an NBIS NOW, NOW-2 or Super-NOW "checking account" or Money Market or regular passbook savings account with a balance of at least $500, you're ready to apply! If not, open any of the above accounts and in 30 days, you can apply with the same minimum balance.

The NBIS X-PRESS24® Cash Card. It's a *great* card to have! Why not call or visit any NBIS office for details or an application soon.

If one of the important responsibilities of a public library is to make it possible for the public to be informed, then this is your book. Whether we know much or little about the U.S. relationships with the five Central American Countries (Guatemala, Honduras, El Salvador, Nicaragua, Costa Rica), now we need to know more, much more. No part of the world is more vital to us, and no part is in more of a chaotic state of crisis - the crisis of revolution, and we are intimately involved.

It would be comfortable and easy to put the present disintegrated state of U.S.-Central American affairs upon some outside countries or forces, but this cannot be done. The Author's thesis is that the revolutions were inevitable and quotes our ambassadors, and others to the effect that; "What we see in Central America today would not be much different if Fidel Castro and the Soviet Union did not exist. In the words of an old biblical prophet, 'Judgment springs up like hemlock (poison) from the furrows of the fields'." Our relationship with these countries, near to us geographically, has been active and dominant, almost from the beginning, and yet no area of the world is in greater political and economic turmoil.

What are the causes and what are the an-

swers? This is what the book is all about. You will be surprised by some of the author's answers and conclusions, even thrilled. Suffice it to say that he does not write to please the Democrats or the Republicans. Walter LaFeber is one of our leading historians of American foreign policy. He teaches history at Cornell University.

Regional Symphonic Pops

The second annual Southeastern Massachusetts University Summer Pops Concert is scheduled for Sunday, July 29th, from 6 to 8 p.m., outdoors in the Vietnam Veterans' Peach Memorial Amphitheater. The concert is a free summer treat for families in the community, friends of SMU, and the public, sponsored by the University's Campus Center.

This summer, the 50-plus musicians of the Regional Symphonic Band, conducted by John Pandolfi, will entertain. Featured on the light summer pops program will be a "Star Wars Medley", "Man of La Mancha", "Sounds of Herb Alpert and the Tijuana Brass", "Cole Porter Medley", and music from "Evita". Also on the program will be "April in Paris", "Thundercrest March", "The Battle Hymn of the Republic", and a "Fantasy on American Sailing Songs".

People are invited to bring their own picnic baskets and refreshments, although light refreshments will be available at a stand.

Letter to The Editor

I just read Charles A. Adams' letter to the editor in the July 18 issue of the Presto Press and I'm not sure whether to laugh or cry.

I have lived in Mattapoisett for six years and my telephone service has been, still is, and probably will continue to be, appalling. I could write volumes describing my experiences with the local telephone service -- if, in fact, one can seriously call it a "service"... I'll spare Presto readers the lengthy and probably all-too-familiar tales of the inefficient "service" I've been paying

so dearly for. I must say, however, that the clincher came when I received several calls from New England Telephone informing me that they were getting complaints from callers who were unable to reach my number. The New England Telephone representative told me that their own repair crew could not determine what the problem was/is, and consequently were unable to correct it. I can't help but wonder when it gets so bad that New England Telephone is calling to report problems to me! I explained that my phone has been plagued with problems for the entire six years of my living here. New England Telephone even fouled up a trap on my line more than once while attempting to trace obscene calls several years ago. I have to ask, finally, is it our outdated equipment alone that is to blame or is it a combination of a lack of technology and an overabundance of incompetence?

I, for one, am insulted by Senator Kirby's comment that we "don't make a point of constantly reporting complaints, which gives the phone company the false impression people are satisfied with the level of service". Can Senator Kirby really believe that we, the residents of Mattapoisett, are so foolish that we would pay such incredible rates for such incredibly poor service and not voice

our complaints directly to the phone company - with or without a survey? Really, Senator Kirby, are you serious or do you work for New England Telephone on the side?

Living in Mattapoisett, one could easily be led to believe that the telephone has only recently been invented. Three cheers for Charles A. Adams. He is not alone.

refreshments, storytime, and sing-along. Exhibits will be present from Aqua Circus of Cape Cod, Bassett Wild Animal Farm, Sea-land of Cape Cod (with Humphrey the Camel), the Heifer Project, Cape Cod Museum of Natural History, Barnstable County 4-H Club, and the Massachusetts Audubon Society. The hurdy-gurdy man with his monkeys, face painting and balloons will all add to the festive air of the fair. Peter Rabbit and Mrs. Peter will be on hand to autograph children's books.

Buttonwood Park will present a special animal demonstration from 11 a.m. to 12 noon. At 1:30 p.m. Naturalist Stu Parsons invites all children to join him for a live animal storytime, and at 3:00 p.m. all may join in a sing-along of animal ballads.

Plan to bring the children for a day of fun while they learn something about the animals which share their world. Admission to the fair is free with a minimal fee for participation in the games. Ample parking is available in the Sandwich Elementary School parking lot on Route 130, just up the street from the Burgess Museum. Hop the "bunny bus" from the school to Peter Rabbit's Animal Fair!

CCCC TIP OF THE WEEK

Ladies, when going to the beach, it is better to leave your purse at home. Take only your keys, license and enough money for any purchases you plan to make at the snack bar. Leaving your purse locked in your car or on the beach invites trouble.

CHILD CARE REFERRAL

Choosing the right child care situation for your child can be confusing and often haphazard. The YWCA and PACE are trying to make that decision easier by providing a Child Care Information Referral Service. The service will provide information on children's activities, family events, day care centers, babysitters, support groups and volunteer opportunities, to help parents evaluate and choose the best child care situation to suit their children's needs.

Call 999-3255 Monday - Friday from 9 a.m. to noon for information.

Children's Museum

FUR BEARERS TOPIC OF PROGRAM

Area mammals are the topic of a guided walk at the Dartmouth Children's Museum on Saturday, August 4th, at 10 a.m. FURRY ANIMALS BIG AND SMALL is the title of the program which is open to people of all ages. The walk will be led by Museum Education Director Bob Bailey. There will be no special fee beyond the regular Museum admission fee of $1.50 for adults, and $1.00 for children and persons age 60 and older. The maximum family fee is $5.00 for an immediate family.

ELECTRICITY AND CARTOON PROGRAMS

The mystery and "magic" of electricity will be illustrated with some special effects when the Dartmouth Children's Museum presents "VOLTS AND JOLTS" on Saturday, August 4th, at 2 p.m. This exciting demonstration will be geared for all ages. There is no special fee beyond the usual admission fees and no pre-registration is required.

A Children's Museum workshop CARTOON CRAFT that explores how cartoons and movies work will be conducted on Friday, August 3rd, at 10 a.m. to 11:30 a.m. The program is especially designed for youngsters ages 9 and older. Pre-registration is required. Please contact the Museum at 993-3361 for further information.

seum's Summer Day Camp. The Camp, which was inaugurated this year, presents four action-packed days of learning and recreation for youngsters. Activities, both indoors and outdoors, include nature study, crafts, social sciences and the arts. The day camps meet Tuesday through Friday from 9:30 a.m. until 4 p.m. Each week includes two field trips to area attractions.

Currently there are openings for seven and eight year olds during August 7-10 and for nine and ten year olds during August 14-17.

The fee for the camp is $65. for non-members and $60. for Museum members and includes all materials. The Children's Museum's Summer Day Camps are unusual in that they offer a unique blend of activities only possible in a Museum setting with nature activities on the beautiful 50 acre grounds surrounding the Museum and field trips.

to announce the receipt of a $2,500 grant from Shaw's Supermarkets, Incorporated. The funds were granted for the Museum's new "Market Place" exhibit. The exhibit simulates a grocery store, only for pre-school aged youngsters. The 12' x 19.5' exhibit area features a checkout counter complete with a working antique cash register. Canned goods and other articles are arranged on shelves just like in the big stores and plastic fruits and vegetables fill the market's produce bins. An antique scale, placed near the produce, enables children to weigh their purchases. The meat department hasn't been forgotten either. Hand-painted steaks and chops are waiting to be "purchased" by the young shoppers. Exhibit Committee member Charles Baker provided the colorful cuts of "meat". Painted life-size cutout figures grace one wall of the market, as if visible from across the aisles. These shoppers can be seen in their entirety on the other side of the wall.

Market Place's purpose is to enable children to investigate adult roles and behavior through an active and interactive process.

The exhibit is part of the Museum's recently completed second floor which features six new exhibits. The Museum's Exhibit Committee, headed by Trustee Neisja Yenswine, designed the exhibit.

The Children's Museum is grateful to Shaw's Supermarkets, Incorporated for their support of the project.

The Children's Museum is located at 276 Gulf Road, South Dartmouth.

is available to visitors at the Museum's admission desk. Spring Rock Trail, marked with blue blazes, descends through Juniper trees, Honeysuckle and Arrowwood shrubs to Spring Road, a large granite outcrop. A small pond, thick with watercress is fed by a natural spring. Westwood Trail, marked with red blazes, crosses the hayfield, passing the Dyck Observatory. The trail then enters an old farm cartway passing a small pond on the edge of a Red Maple swamp. Each trail is approximately .4 miles in length and takes approximately 20 to 30 minutes to walk.

The Museum has also added six picnic tables to its grounds. The tables are situated along the beautiful shaded lane just west of the Museum building. Museum visitors can now make a day of it, combining a delightful picnic lunch in the shade of towering maples with a visit to the Children's Museum at 276 Gulf Road. The Museum thanks Acushnet Saw Mills for their generous donation of picnic tables.

Herman Melville Day

The City of New Bedford is celebrating Herman Melville Day on Wednesday, August 1, with fireworks, band concerts, and a day full of activities. The day marks the first day of issuance of the Herman Melville Commemorative stamp by the U.S. Post Office honoring the author of the novel Moby Dick, a 19th-century classic about the whaling industry that features New Bedford.

New Bedford Postmaster Antone Silva will officially begin Herman Melville Day with the 8 a.m. opening of the stamp window at the Post Office, at which time the stamp will go on sale. First Day Cancellations will be available for sale until 5 p.m.

The First Marine Band will hold a concert on the steps of the downtown post office at 9 a.m., marching to the Whaling Museum for

The Empire Brass Quintet is a chamber ensemble whose performances and recordings have heralded international critical acclaim. Winners of the 1976 Naumburg Chamber Music Award and the 1980 Harvard Musical Society Prize, they have performed for Queen Elizabeth, the President of the United States, and Carnegie Hall's 90th Anniversary. The group has been Quintet-in-Residence at Boston University since 1975. Rolf Smedvig and Charles A. Lewis, Jr. are on trumpet, David Ohanian plays the French Horn, Mark Lawrence is on trombone, and the tuba is played by J. Samuel Pilafian.

day, July 29-31 as The 1st Marine Band, an 80-member troupe featuring Ceremonial Guard, Naval Dancers, the Anchor Watch Singers and a full military band ascend the stage for three dynamic performances.

A patriotic celebration presented in association with Battleship Cove and the Fall River Marine Museum, The 1st Marine Band is a recreation of President Lincoln's own 1st Marine Band of 1863.

This award-winning ensemble has played to over two and a half million Americans performing centuries of history and entertainment. Complete with marches, drills and dramatic ceremonial performances, the multi-talented troupe rounds out the celebration with a variety of entertainment.

The Naval Dancers, directed by Lt. Col. Roslynn Jaehnig, perform historical dance from authentic American clogging to French can-cans, and from the exciting Charleston to a 50th Anniversary visit to 42nd Street. The dancers recreate Strauss' polkas from the military balls of the Civil War, and authentic hulas and ritual fire dances.

A typical evening's performance, which is subject to change during the touring season, includes light classics such as "The Sabre Dance", "Lantern Marriage Overture" and "Ballet Parisien". Marches range through the many Sousa compositions to Fillmore, Circus screamers, and typical Civil War marches. Coupled with singers, dancers and drill, and the firing of the gunners, a 2-hour performance of the unit covers centuries of history and brings back many of the favorites of the American people.

In 1982 the unit was honored by President and Mrs. Reagan for its volunteer activities for America.

The 1st Marine Band will perform Sunday, July 29th, at 7:15 p.m.; Monday, July 30th, at 8:15 p.m.; and Tuesday, July 31st, at 2:15 p.m. Tickets are available at the Zeiterion Theatre Box Office and all Ticketron Outlets. For additional information or

Center Street Festival

AUGUST 11 and 12

The 9th annual Centre Street Summer Festival, organized by the New Bedford Preservation Society with the help of the City of New Bedford, will take place in New Bedford on August 11th and 12th. Centre Street, once the heart of the whaling industry, comes alive again for two days, maintaining New Bedford's proud heritage.

A juried show of 75 professional craftspeople and artists from all over the country, including Florida and the New England states, will set up shop along the cobblestoned streets of New Bedford's Historic District. Crafts will include toys, house portraits, stained glass, bird carvings, decoys, fine arts, furniture, musical instruments, jewelry, leather, pottery, silhouettes and many more. The Preservation Society will also have its fourth annual cup plate designed by Evelyn Ramalhete.

If you should be hungry while you visit the Festival, there will be a delicious, tempting assortment of ethnic foods such as linguica, tacos, French meat pies, plus all

PROFESSOR JOHN A. RASSIAS

and Literature at Dartmouth College, is so colorful and his teaching methods so innovative that he has been a popular guest on TV's "Sixty Minutes", "Good Morning America", and "The Johnny Carson Show".

He will hold two non-credit workshops, from 9 to 11 a.m. on July 26 and 27, to demonstrate his dynamic techniques, and will give a free lecture for the public on July 27 at 8 p.m. in the main SMU auditorium. The title of workshops and lecture is "The Classroom as Theater".

Rassias' revolutionary, entertaining, and theatrical technique of teaching foreign languages is so effective that it has become known nationally as "the Rassias method". It involves the provocative stimulation of all the student's faculties: sight, sound, smell, and emotion -- all for the purpose of achieving fluency in the shortest possible time. By the end of 10 days, beginners have a vocabulary of 1,000 words. Under a grant from Exxon 58 colleges and universities have sent teachers to Dartmouth to be trained in "the method".

Registration fee for the workshops, which will be held in Room 209 of the Group I Building, is $40. For registration information call Levin Garganta or Theresa Barao at 999-8778.

Rassias' appearance is co-sponsored by the SMU Division of Continuing Studies, the SMU French Summer Study Program, and the SMU Alumni Association.

August Blood Drive

Summer time is a critical time for blood supplies, so Parkwood Hospital is sponsoring a Blood Drive for the American Red Cross on Monday, August 6th, from 1:30 to 6:30 p.m. in the hospital's solarium.

In fact, blood is needed every 17 seconds, 365 days a year, with the most common type, Type O, in the greatest demand. Over half of us will need blood during our lifetime, but less than 5% of the population actually donates. That's hard to understand when you consider that it takes less than ten minutes to actually give a pint of blood, to give the gift of life.

Does it hurt? Pinch yourself - that's how it feels. The entire procedure may take about 45 minutes which includes registration, a brief physical screening, and the actual donation, followed with refreshments and a chance to relax. Feeling a little nervous is normal and may create a slight weak feeling, but that goes away after relaxing a few minutes. The only real side effect of giving blood is the wonderful feeling of having helped someone in a truly personal way.

How is the blood used? With recent technological advances, one pint of blood can help at least four different people. For example, nearly 20% of the blood supply is used for the treatment of cancer, with 32 people needed each week to donate platelets to supply just one patient on chemotherapy.

For more information or to make an appointment to participate in Parkwood's Blood Drive on August 6th, contact Christine Garfield in
